

Integrated Solid Waste Regulatory Framework

Stakeholder Workshops on Draft Rule Text Issues and Concerns

ADEQ has scheduled a series of workshops to seek resolution of issues that have been raised by stakeholders on the draft rule text dated 9-10-07. The issues and concerns that will be addressed were identified at a series of three stakeholder workshops conducted on October 30, and November 1 and 8, 2008, and through emails from stakeholders. A summary of the comments received through November 29, 2007, is available on the project website [<http://www.azdeq.gov/enviro/waste/solid/integrated.html>]. ADEQ expects that stakeholders will continue to provide comments until the workshops noted below begin in January. The summary of stakeholder comments received will be updated periodically.

All the workshops will be held at the following location:

ADEQ Third Floor Conference Room
Arizona Department of Environmental Quality
1110 W. Washington St.
Phoenix, AZ 85007

There will be an opportunity to participate by conference call at each of the workshop sessions. Details on how to participate by conference call will follow.
